ALMOST IN LOVE

(Randy Starr - Luiz Bonfá)

Your lips were made for kisses so tender I'm almost in love
tonight
When we are close my heart says surrender I'm almost in love
tonight.

And here under the spell of evening I long to hold you tight
Heaven is near why think of tomorrow I'm almost in love
tonight.

(Instrumental break)

It may be just the spell of evening I long to hold you tight
Heaven is near why think of tomorrow I'm almost in love
tonight
In love tonight
Almost in love.

AND THE GRASS WON'T PAY NO MIND (Neil Diamond)

Listen easy you can hear God calling walking barefoot by the stream

Come on to me your hair's softly falling on my face as in a dream

And the time will be our time and the grass won't pay no mind
Saying nothing lying where the sun is baking down upon our sides

My lips touch you with their soft wet kisses your hands gentle in reply

And the time will be our time and the grass won't pay no mind.

Child touch my soul with your cries and the music will know what we've found

I hear a hundred goodbyes but today I hear only one sound

The moment we're living is now now now now now now now now.

Young bird flying and a soft wind blowing cools the sweat inside my palms

Close my eyes hear the flowers growing as you lay sleeping in my arms

And the time will be our time and the grass won't pay no mind
No the grass won't pay no mind.
