“Não sou insensível à ideia de que o homem deve buscar algum tipo de fé. Basicamente, sou a favor de qualquer coisa que faça você dormir bem à noite, seja uma prece, tranquilizantes ou uma garrafa de Jack Daniel’s”. - Frank Sinatra.

A BABY JUST LIKE YOU

(John Denver - Joe Henry)

The season is upon us now, a time for gifts and giving
And as the year draws to its close, I think about my living
Christmas time when I was young, the magic and the wonder
But colors dull and candles dim and dark my standing under.

Oh! little angel, shining light, you've set my soul to dreaming
You've given back my joy in life, you filled me with new
meaning.

A savior King was born that day, a baby just like you
And as the Magi came with gifts, I come with my gift too
That peace on earth fills up your time and brotherhood
surrounds you
That you may know the warmth of love and wrap it all around
you.

It's just a wish, a dream I'm told from days when I was young
Merry Christmas little Zachary, Merry Christmas everyone
Merry Christmas little Zachary, Merry Christmas everyone.

A COTTAGE FOR SALE

(Larry Conley - Willard Robison)

A little dream castle with every dream gone
Is lonely and silent, the shades are all drawn
And my heart is heavy as I gaze upon
A cottage for sale.

The lawn we were proud of is waving in hay
A beautiful garden has withered away
Where you planted roses the weeds seem to say
A cottage for sale.

From every single window I see your face
But when I reach a window there's empty space
The key's in the mailbox the same as before
But no one is waiting for me anymore
The end of our story is there on the door
A cottage for sale.

A GHOST OF A CHANCE WITH YOU

(Ervin Drake - Al Stillman - Jimmy Shirl - Irvin Graham)

I need your love so badly, I love you, so madly
But I don't stand a ghost of a chance with you
I thought at last I'd found you but other loves surround you
And I don't stand a ghost of a chance with you.

If you'd surrender just for a tender kiss or two
You might discover that I'm the lover meant for you
And I'd be true but what's the good of scheming
I'm dreaming for I don't stand a ghost of a chance with you
'Cuz I don't stand a ghost of a chance with you.

A MILLION DREAMS AGO

(Lew Quadling - Eddy Howard - Dick Jurgens)

You told me it was so, a million dreams ago,
You held me in your arms, a million dreams ago.
So many dreams have flown, so many nights alone
I guess I should have known, it couldn't be.

I'll lock my mem'ries here in my heart
And here in my heart they'll stay.
And through the years, they'll always be part
A part of a lovely day.

Goodbye, good luck old friend, I'll smile and just pretend
There was no end, a million dreams ago.
