AGAINST THE WIND
(Bob Seger)

It seems like yesterday
But it was long ago
Janey was lovely she was the queen of my nights
There in the darkness with the radio playing low.

And the secrets that we shared
The mountains that we moved
Caught like a wildfire out of control
Till there was nothing left to burn and nothing left to prove.

And I remember what she said to me
How she swore that it never would end
I remember how she held me oh! so tight
Wish I didn't know now what I didn't know then.

Against the wind
We were runnin' against the wind
We were young and strong we were runnin'
Against the wind.

And the years rolled slowly past
And I found myself alone
Surrounded by strangers I thought were my friends
I found myself further and further from my home.

And I guess I lost my way
There were so many roads
I was living to run and running to live
Never worried about paying or even how much I owed.

Moving eight miles a minute for months at a time
Breaking all of the rules that would bend
I began to find myself searchin'
Searching for shelter again and again.

Against the wind
A little something against the wind
I found myself seeking shelter against the wind.

(Instrumental break)

Well those drifters days are past me now
I've got so much more to think about
Deadlines and commitments
What to leave in, what to leave out.

Against the wind
I'm still runnin' against the wind
Well I'm older now and still
Against the wind.

Well I'm older now and still
Against the wind
Against the wind
Against the wind
Still running
Against the wind
I'm still running
Against the wind
Against the wind
Against the wind…
