CHORUS

In beautiful Verona, where these love affairs took place, two families quarreled.

equally noble vouchers had spilled, by their mutual hatred, much

accused blood. His innocent children paid the penalty for these grudges,

that brought his death and the end of his sad love. Only two hours will

last on the scene this age-old hatred of races. Pay attention to the sad tangle, and

You will supply with your attention what the tragedy lacks.

ACT I

SCENE ONE

A square in Verona

SAMSON AND GREGORY, WITH SWORDS AND BROQUELS

SAMSON

By my faith, Gregorio, there is no reason to lower your head.

GREGORY

That would be turning us into beasts of burden.

SAMSON

I wanted to tell you that if we are harassed, we must respond. Gregory Yes:

drop the packsaddle

SAMSON

I, if they bite me, easily jump.

GREGORY

But it's not easy to sting you to jump.

SAMSON

Any grumbling from the house of the Montagues is enough to make me jump.

GREGORY

Who jumps, leaves. True courage is in standing firm in your

position. What you call jumping is running away.

SAMSON

The dogs in that house make me jump first and stop me later.

When I come across a female or male from Casa de los Montes

Cos, I put my feet up the wall.

GREGORY

Outstanding nonsense! If you put your feet on the wall, you will fall on your back.

SAMSON

True, and it is a condition of the weak. The Montagues in the middle
of the street, and their girls on the sidewalk.

GREGORY

That discord belongs to our masters. We servants don't have to
intervene in it.

SAMSON

It does not matter. I will be a tyrant. I will finish off the men first and
then with the women.

GREGORY

What do you want

say? SAMPSON

What you want. you know i'm not

frog.GREGORY

You are neither fish nor meat. Draw your sword, here come two servants

From home

Montague.

SAMSON

The sword is ready: you enter the fight, and I will defend you.

GREGORY

Why do you run away, turning the

backs? SAMPSON

For not

scare you.

GREGORY

you scare me

me? SAMPSON

Let's proceed legally. Let them start.

GREGORY

I'll make a face at them as I pass, and we'll see how it goes.

take. SAMPSON

We'll see if they dare. I will suck my thumb, and it will be a good shame

theirs if they tolerate it.

I don't even think, sir

mine.SAMPSON

If you want to put it together, I am here at your service. my master is so good
like yours.

ABRAHAM

But better,

impossible.SAMPSON

It's alright, gentleman.

GREGORY (TO

Samson)

Tell him that ours is better, because a relative of mine is coming here.

love.

SAMSON

Ours is better

hidalgo.ABRAHAM

Lie.

SANSO

(Abraham and

Balthazar)

ABRAHAM

Hidalgo, are you sucking your finger because we passed?

SAMSON

Hidalgo, it's true that I suck my

finger. ABRAHAM

Hidalgo, do you suck your thumb because we

we passed? SAMPSON. (To Gregory)

Are we within the law, saying yes?

GREGORY (to Samson)

not for

TRUE.

SAMSON

Hidalgo, she wasn't sucking my finger because you were passing by, but I'll see her

dad is that I suck it.

GREGORY

Do you want to raise a question?

hidalgo? ABRAHAM
