## AFTER LOVING YOU

(Merle Haggard - Ronnie Reno - Leona Williams)

Last night I held your body close to mine  
And I felt the thrill of loving you for the first time  
It's so good to know the feeling hasn't changed  
After loving you I still feel the same.

The night is over and I still need you even more  
I know I've finally found the one love I've been searching for  
It's so good to know the feeling hasn't changed  
After loving you I still feel the same.

(Instrumental break)

The night is over and I still need you even more  
I know I've finally found the one love I've been searching for  
It's so good to know the feeling hasn't changed  
After loving you I still feel the same.

## ALL OF ME BELONGS TO YOU

(Merle Haggard)

All of me belongs to you all the time  
You're the only one that's ever on my mind  
There's no way that I would ever be untrue  
There's not one single part of me  
That don't miss you through and through  
'Cause all of me belongs to you.

Eyes are worthless cause you're not here to see  
My lips are so forgotten since you forgotten me  
My arms ached from reaching out to you the way they do  
There's not one single part of me  
That don't miss you through and through  
Cause all of me belongs to you.

Fingers claw the darkness in my dreams  
Searching for a love I lost but can't redeem  
Hey I'm yours and I can't give my heart to someone new  
Not one single part of me my heart don't include  
'Cause all of me belongs to you.

(Instrumental break)

Fingers claw the darkness in my dreams  
Searching for a love I lost but can't redeem  
Hey I'm yours and I can't give my heart to someone new  
Not one single part of me my heart don't include  
All of me belongs to you.

## BECAUSE YOU CAN'T BE MINE

(Merle Haggard)

What makes something you can't have always look so good  
Why'd do something out of reach seem so fine  
What makes you thrill me more than any girl I know  
I guess it's just because you can't be mine.

Why can't I be contented with what belongs to me  
And be satisfied with what's already mine  
What makes a stolen moment such a precious thing  
I guess it's just because you can't be mine.

(Instrumental break)

What makes me always want a woman I can't have  
Why the someone else's silver always shine  
My patience rises every time you come around  
And I guess it's just because you can't be mine.

Why can't I be contented with what belongs to me  
And be satisfied with what's already mine  
What makes a stolen moment such a precious thing  
I guess it's just because you can't be mine.
