A MAN AND A WOMAN

(Jerry Keller - Pierre Barouh - Francis Lai)

When hearts are passing in the night in the lonely night
Then they must hold each other tight oh so very tight
And take a chance that in the light in tomorrow's light
They'll stay together so much in love.

And in the silence of the mist of the morning mist
When lips are waiting to be kissed longing to be kissed
Where is the reason to resist and deny a kiss
That holds a promise of happiness.

Though yesterday still surrounds you with a warm and precious
memory
Maybe for tomorrow we can build a new dream for you and me.

This glow we feel is something rare something really rare
So come and say you wanna share wanna really share
The beauty waiting for us there calling for us there
That only loving can give the heart.

When life is passing in the night in the rushing night
A man a woman in the night in the lonely night
Must take a chance that in the light in tomorrow's light
They'll be together so much in love
Together so much in love.

So tell me you're not afraid to take a chance really take a chance
Let your heart begin to dance let it sing and dance
To the music of a glance of a fleeting glance
To the music of romance of a new romance take a chance.

A TIME FOR US

(Larry Kusik - Eddie Snyder - Nino Rota)

A time for us someday there'll be
When chains are torn by courage born of a love that's free
A time when dreams so long denied
Can flourish as we unveil the love we now must hide.

A time for us at last to see
A life worthwhile for you and me.

And with our love through tears and thorns
We will endure
As we pass surely through every storm
A time for us someday there'll be
A new world
A world of shining hope for you and me.

And with our love through tears and thorns
We will endure
As we pass surely through every storm
A time for us someday there'll be
A new world
A world of shining hope for you and me
A world of shining hope for you and me.
