THE WAR IN HEAVEN

PROLOGUE

And GOD said: let there be light and there was light.

God separated the light from the darkness and created all things.

There are countless versions from the Bible to the Vatican itself.

Thousands of stories have been told to us about God's creation.

What I write in this book is a story about these divine and religious themes, I do not intend to change anything at all.

Reality or fiction I leave it to believers and non-believers, with all due respect.

THE WAR IN HEAVEN

EARTHLY PARADISE CHAPTER 1

The kingdom of heaven is full of love, happiness, and coexistence.
God is satisfied with his work.
He has created angels, animals of all sizes, and the human race.
It is an earthly paradise.
Every dawn you can see the light
through the flowers, the brightness and colors of a radiant sun.
Everything is peaceful, the angels enjoy
every day, with their training, their families, and their animals.
They also bathe in the sea, but with care, God has created the leviathan, a giant creature to take care of the sea.

The angels thank God with their prayers and prayers for the happiness of living in paradise, everyone brings him offerings.
Everything is prayers, a bright light
appears before the angels and blesses them, in a corner of the temple, there is a shadow with a silhouette, but, nobody gives it importance.
After praying, everyone returns to their tasks. It is morning, some go for a walk, others go to train with their brand new swords.
