16TH AVENUE

(Thom Schuyler)

From the corners of the country from the cities and the farms
With years and years of living tucked up underneath their arms
They walked away from everything just to see a dream come true

So God bless the boys who make the noise on 16th Avenue.

With a million dollar spirit and an old flat top guitar
They drive to town with all they own in a hundred dollar car
'Cause one time someone told them about a friend of a friend they knew

Who owns you know a studio on 16th Avenue.

Now some are born to money they never had to say survive
And others swing a nine pound hammer just to stay alive
There's cowboys drunks and Christians mostly white and black and blue

They've all dialed the phone direct to home from 16th Avenue.

But then one night in some empty room where no curtains ever hung

Like a miracle some golden words roll off of someone's tongue
And after years of being nothing they're all looking right at you
And there for awhile they'll go in style on 16th Avenue.

Hey it looks so uneventful so quiet and discreet
But a lot of lives were changed there on that little one-way street
'Cause they walked away from everything just to see a dream come true

So God bless the boys who make the noise on 16th Avenue.

ABOVE AND BEYOND

(Harlan Howard)

Well, I'll give you love that's above and beyond the call of love
And I'll never ever make you cry
I'll give you love that's above and beyond the call of love
And love's something that money can't buy.

A poor boy's chances for pretty girl's glances it's sometimes
very few
Though I've got no money if you'll be my honey here's what
I'll offer you
I'll give you love that's above and beyond the call of love.

(Instrumental break)

Well, I'll give you love that's above and beyond the call of love
And I'll never ever make you cry
I'll give you love that's above and beyond the call of love
And love's something that money can't buy.
