A MILLION MILES FROM HERE

(Ernest Tubb - Talmadge Tubb)

Gonna make my home a million miles from here
No letters going to reach me in one single year
I'm startin' out to roam
And I'm never comin' home
I'm gonna make my home a million miles from here.

No need to tell me now that you'll be true
I'm sick and tired of everything you do
I'm leaving you behind
I'm gonna to ease my troubled mind
Your gonna wakeup someday sugar feeling blue.

(Instrumental break)

I'm gonna make my home a million miles from here
No letters going to reach me in one single year
I'm startin' out to roam
And I'm never comin' home
I'm gonna make my home a million miles from here.

(Instrumental break)

You're free to do the things your heart desires
So spin your wheels and babe wear out your tires
But someday you'll be flat
And you'll wonder where I'm at
You can look for me
But babe, but I won't be there.
I'm gonna make my home a million miles from here.

No letters going to reach me in one single year
I'm startin' out to roam
And I'm never comin' home
I'm gonna make my home a million miles from here.
