ANYPLACE IS PARADISE

(Joe Thomas)

Whether you're ridin' down a highway or walkin' down the street

It makes no difference baby I'll take every chance to meet
'Cause holdin' your little hand makes me feel so very nice
Anyplace is paradise when I'm with you.

Whether we're standin' on a doorstep or sittin' in a park
Or strollin' down a shady lane or dancin' in the dark
Well, I can take you in my arms and look into your pretty eyes
Anyplace is paradise when I'm with you.

(Instrumental break)

Give me a cave up in the mountains or a shack down by the sea
And I will be in heaven honey if you are there with me
Well, kiss your pretty lips see the love light in your eyes
Anyplace is paradise when I'm with you.

(Instrumental break)

Baby, I'd live deep in the jungle and sleep up in a tree
And let the rest of the world go by if you were there with me
Well, I could love you all the time baby a jungle would be fine
Anyplace is paradise when I'm with you.

ANY WAY YOU WANT ME

(Aaron Schroeder - Cliff Owens)

I'll be as strong as a mountain or weak as a willow tree
Anyway you want me well that's how I will be.

I'll be as tame as a baby or wild as the raging sea
Anyway you want me well that's how I will be.

In your hands my heart is clay to take and hold as you may
I'm what you make me you've only to take me and in your arms
I will stay.

I'll be a fool or a wise man oh my darling you hold the key
Yes, anyway you want me well that's how I will be I will be.

AS LONG AS I HAVE YOU

(Ben Weisman - Fred Wise)

Let the stars fade and fall and I won't care at all
As long as I have you
Every kiss brings the thrill and I know that it will
As long as I have you.

Let's think of the future forget the past
You're not my first love but you're my last
Take the love that I bring then I'll have everything
As long as I have you.

Let's think of the future forget the past
You're not my first love but you're my last
Take the love that I bring then I'll have everything
As long as I have you
As long as long as I have you (as long as I have you).

BABY I DON'T CARE

(Jerry Leiber - Mike Stoller)

You don't like crazy music, you don't like rockin' bands
You just wanna go to a movie show and sit there holdin' hands
You're so square baby I don't care.

You don't like hot rod racin' or drivin' late at night
You just wanna park where it's nice and dark you just wanna
hold me tight
You're so square, baby I don't care.

You don't know any dance steps that are new
But no one else can love me like you do, do, do, do.

I don't know why my heart flips, I only know it does
I wonder why I love you babe, I guess it's just because
You're so square, baby I don't care
Baby I don't care, baby I don't care, baby I don't care.

(Instrumental break)

I don't know why my heart flips, I only know it does
I wonder why I love you babe, I guess it's just because
You're so square, baby I don't care
Baby I don't care, baby I don't care, baby I don't care.

BLUE CHRISTMAS

(Bill Hayes - Jay Johnson)

I'll have a blue Christmas without you
I'll be so blue just thinking about you
Decorations of red on a green Christmas tree
Won't mean a thing dear if you're not here with me.

And when those blue snowflakes start falling
That's when those blue mem'ries start calling
You'll be doing alright with your Christmas of white
But I'll have a blue blue blue Christmas.

(Instrumental break)

You'll be doing alright with your Christmas of white
But I'll have a blue blue blue Christmas.
