Chapter 1 : Number of Expression

This is the key number within Numerology. This number represents its potential for expression and relationship; it also represents the image what you raise to to the others people. You have free will to use total or partial of that potential. The Number from the Expression is a very important number for analyzing the behavior of one person, providing you guidance to the life professional. When the potential of Number from the Expression is not fully used, check one right instability node what it says respect to the Number from the Intimacy. In this case, you need to stabilize yourself first, trying to strengthen your base (the Intimacy Number), to become able to develop your qualities cream of expression. The Number from the Expression also allows the analysis of the possibilities of understanding between two people and the evaluation of the possible types of relationships in which they could involve. To calculate that number, must be reduce the total of the values numeric of all to the letters of name of baptism full. To further improve this interpretation, it would be good to take into account consideration of the Soul's Desire. Thus, the numbers 1 or 8 (naturally difficult to deal with) can be softened if your Desire from the Soul it is 2, 6 or 9.

Expression 1

Your Expression number is 1. Independent personality and ambitious. This vibration brings with it a sense of self-affirmation very developed. It is natural that you are independent and even that you want to take always ahead of the things. You are from type what he likes of to do to the things without help of nobody, at your own manner or what prefer lead. This "egocentric" nature, if lived positively, can help increase your autonomy, your dynamism and thus your confidence. If this happens, your image will be that of a strong person, independent and self-taught (except if the Desire from the Soul 2 or 6 or if the Number from the Intimacy for 2, 6 or 9), one person determined and to the times authoritarian, but also loyal and generous. The pioneering ability of starting new things or putting new ideas into practice. On the other hand, side, if you to live this number of form negative, your selfishness natural will do it think what you deserves the best, what you others must if sacrifice put you. Perhaps you until feel envy of the what seem to have more what you (goods, talent or luck). Independently of as you to live this number, your mind is fast and you he has one right strength of character that sometimes turns into obstinacy. You have ambition and perseverance in the areas that interest you. Your ability to to conquer or impose your willing (it is as for) to the what are at your disposal return is accompanied by his determination and

his ability to initiative, one of your great qualities. But you have others: enthusiasm, courage, ambition and strength. You seem to be a person creative, individualistic and trainer of opinion. Such images nor always generate the admiration and attachment that you unconsciously search. A little misunderstanding is always possible. Sometimes you if feel reject by the what dislike with your attitude individualistic and aggressive. But a momentary isolation does not cause him fear. The people always follow your steps. This and the your point of view. If they no the do, this also no and reason to if worry. Understand and admit that this excess can make alliances difficult. From this moment, you will have to overcome the need for self-assertion and to situate of agreement with to the others people, to the expressions of disposition what emanate of the people with who you collaborate no they go more suffocate you . You have reached the stage of conquered individualism in the noble sense. of the term. Although it demonstrates business acumen and efficiency in your accomplishments, you seem less comfortable when it comes to feelings or friendship. This is not because you are a person shy, but why and one person relatively hard, of type what he likes of show your authority and preserve your advantages. This nor always creates an ideal climate for warm and spontaneous exchanges. Your partner will have to show your docility and tact first unless you agree to improve your attitude. Living with you will be easier when you have more trust and no to feel the

need of dominate you others to if affirm. When this to happen, you it will be one person pleasant, generous and passionate both node love when in the life daily. This vibration carries the sense of originality, creativity, boldness, the I like by the achievements and the capacity of carry them out.

Four type possible of excess:

impatience, irritability, accesses of anger.

I like for the power, trend of consider to the others people as parts of little importance node game, use of pressure to get advantages, harshness, coldness, pride in excess. inclination to criticism and depreciation. selfishness, requirements and complaints. Pretension and unscrupulous ambition are also very present with this number. But to recognize these possible defects and the first step to correct them.

Guidance professional

As already he must to have imagined, you if from the good in professions or activities in which you can express your originality, independence and your sense of organization. THE vibration of number 1 favors you leaders, bosses and to the people what innovate or they are capable of discover and learn to the things put account own. You if will feel at ease in your own business (you no he likes of depend of the others) or driving others employees. Independent professions are particularly suitable for you. To the wives no if limit to the status of ladies of home. They certainly will have a stimulating role in the couple's affairs or will exercise a own professional

activity. Remember that choosing a profession no depends only of Number from the Expression. This decision may also be linked to your Path of Origin, your Desire of Soul or your Vibration of Birthday.

Expression 2

Your Expression Number is 2. Collaborative, sensitive and gentle. Corresponds to a delicate, sensitive, attentive personality, generous, lively and full of imagination. Her qualities are undeniable. Your way of being is based on flexibility and cooperation, but also in the search of harmony, kindness and affection. You can describe your profile as a particularly receptive person, often intuitive, always pleasant, generally sincere and worthy of trust. You and one partner indispensable. Your activities and your behavior denote a great need for company. However, you demonstrates a tendency to suffer the consequences of events rather than causing or dominating them. You prefer to cooperate, to work with one leader, follow to the ideas of others people to the instead of innovate or make decisions on your own. This last statement should be relativized if your Cycle for 1, 3, 5 or 8. You if will feel at ease in a serene and warm environment and its undeniable qualities of collaboration can be expressed in their entirety. Do you know how to execute orders with perfection and as to care of the minimum details. You he can until to arrive to the point of to perceive to the needs of the people before they express them. People appreciate your kindness, your modesty, your patience and your capacity of persuasion. With the help of your ability to conciliate, your diplomacy and above all your attention to the details, you become

indispensable to all those who prefer to focus on decisions and general parameters, as the success of one project no he can to be impaired put superficiality or fruitless conflicts. You also have an excellent memory, a trump card what no he can to be forgotten. You he has one attitude generally very friendly and her kindness and gentleness are recognized by those who to the receive. THE quality of your contact human and your simplicity natural leave to the people the willing close of you. You attracts trust and knows how to create a pleasant atmosphere, which is great to have find when you are away from home. Your intuition, your sensitivity and your charm they can him to be very useful then allow what you find help with ease, when and necessary. Your big receptivity, sensitivity and imagination they are of fact one do of two edges. They him provide undeniable advantages in all you types of collaboration, but on the other hand depend fully of your state of spirit. THE calm and serenity in your relationships with people is essential to you and your system nervous reacts very the voltage and conflicts. In these cases, you fear the reaction of your interlocutors and adopt one attitude passive and kind to hide your instability emotional. Your need of security affective and your fear of frictions they can, incertain moments in your life, be so big that you give in too much space very quickly to try to preserve the peace (this must be analyzed in relation to the characteristics of its Number of Intimacy). While you have the print of what he has one connection or a dependence on those

around you, you will be fragile node what it says respect the disagreements, conflicts or criticism! Learn to trust more in yes even, in order of acquire one bigger autonomy. Criticism or tensions will leave of to be reason of concern to you and strong competitors no will be more reason of fear. Case Otherwise, avoid aggressive environments that disturb your sensitive structure, stay away from arguments and disputes and find some areas of tranquility for yourself in your universe. In truth, its inner mechanism is very complex. Behind its attitude reserved, pleasant and calm, they can if to hide urges of seclusion, unstable periods, phases of depression as a result of their frequent inner questioning and its contradictory impulses: action- inertia, rapidity of sensations-slowness of reflexes, spiritual desires-desires physical , intuition-indecision, realism-innocence. If on the one hand your intuition is from time to time stunning and leaves others dumbfounded, on the other hand you will sometimes find yourself submerging in your imagination to the point of dramatizing situations or losing contact with reality. reality. Take Careful also to what your kindness and education no generate passivity, dependence and sometimes even neglect (when you no believe in more nothing). Take control of the things. Try adopt a light and healthy diet. Practice physical activity regularly to to create one effect stimulating node body and in the mind. Of generally speaking, avoid depending too much on people, getting closer too much. Get rid of your tendency towards passivity, discover

the pleasure of to use your talents of form active. This form, you will keep the control from the your life. If you for victim of rejection, no try if avenge. You has to become aware of his sometimes innocent behavior, influenceable and needy of autonomy. Take Careful also with dissimulation and distortion of the facts; don't try to cover up problems or avoid your responsibilities! Learn to evaluate situations and people, because your kind attitude attracts cheaters and profiteers. Don't be afraid to stand up for your opinions and your rights. You will certainly find well-being in marriage, because you don't like solitude very much. Your need for love is enormous. However, only marry when you are sure your feelings. No if join someone due to the fear from the loneliness or for the simple desire of security material and affective. Of mode general, you and very sensitive the small details relative the atmosphere, the affection mutual and the cleaning. You and one person romantic, devoted to the past, but also full of fantasies. Node work, like this as in love, you he likes of to receive many compliments, attention and demonstrations of appreciation. Perhaps were better learn the express your wishes directly and discuss the things that are of concern to you. The problems they are resolved quickly when if open the game.

Guidance professional

background activities (assistant, helper, intermediary, take care of important details) and you if stands out in these areas. You it needs of one environment what him inspire security,

where you can work as a team. This will help to value your talents as well as your excellent qualities of collaboration and diplomacy, what he can to take some of you (what he has this vibration) to important positions and great achievements. But you also and able of if to turn put account own in activities commercials, since what they demand one right meticulousness or imagination. If youyou have a talent for writing, you will do very well in literature romantic. Widows will take their position as heads of household very seriously. family, even if they have another activity. They certainly play a key role in the couple's good atmosphere and for the maintenance of the home and indirectly of the business. Remember that the Choosing a profession does not depend solely on the Expression Number. This decision may also be linked to the Path of Origin, your Desire from the Soul or the your Vibration of Birthday.

Expression 3

Your Expression Number is 3: outgoing, friendly and outgoing personality creative. Your self-esteem, your creative energy and your joy of living need to be expressed. To do this, you have different means, such as words, music, painting, writing or any other creation artistic with which you if becomes more and more trusting with the to spend of time (invest in this). You demonstrates to have one big dose of enthusiasm and optimism. You inspire joy in life and sometimes creativity in the people around you. Your presence is very striking and never goes unnoticed. You were born for expressiveness and life social, it is one question of to speak, have fun, to create or sell. Your imagination and your creative ability linked to your sense of opportunity call attention to your style lots of times distinguished, your enviable charm and innovative originality . If you have the sufficient motivation, you will have all the qualities to lead. The activities with to the which you if feel more the willing they are to speak, to write and in true all type of work manual or artistic. Your interests are quite varied. In addition to creativity, it is their sociability that characteristic that stands out the most. You have the ability for dialogue, to do contacts and you can to say what you he likes of enchant, of shine. All in you and spontaneous. Same when you to the times try shine too much, your attitude and sincere and friendly. You and kind and kind with to the people the your

back and and able of to lead with criticism hard and tricks when it comes to rivalry, a subject you have problems. Your personality may show traits of susceptibility, envy or irritation, if somebody dare to place the blame in you or attack your image or, worse yet, ignore purposely your presence. Take Careful with this trend of pride and whim. She he can no only close some doors for you, but also generate a not very scrupulous behavior . You also know how to be flexible, cheerful and natural, when he wants to. The other problematic characteristics what arise with this number he has the see with gossip (to the times you he speaks too much), a certain dispersion, a slightly disorganized aspect (you don't have much method or you miscalculate your available time), one sometimes presumptuous character. The positive aspects of this vibration are so many that it would be a shame to let yourself be dominated by these problems. The The world really needs inspired and creative people like you to cheer him up. To the questions of heart no they are problem. You if sit at willing as to the sex opposite. You loves you pleasures of blackberry sensuality and above all the game of seduction. You will probably have a busy love life. However, you are able to show a love deep and passionate for the person what your heart choose. Before of find the person right, note however, you are like one bee flying of flower in flower...

Guidance professional

Your interests they are varied, you it has also many trumps in

the area professional. You will feel very comfortable in the professional areas in which you may if express, to use your powers of communication, show your creativity, new ideas and adaptability. Do you prefer areas that are always evolving. Your sense of organization and your relationships will be of great help in achieving your successful goals material (provided that you do not disperse your efforts). You often feels the need to have an audience watching, as was born for activities linked to the arts, shows (music, theater, cinema, etc.), sales, commercial animation, public relations, sports and leisure in general... You he can if to go out good as journalist or node branch of right also. In the true, all to the professions what require contact with to the people and qualities of expression. Remember what the choice from the profession does not depend only on the Expression Number.

Expression 4

Your Expression Number is 4: Stable, direct and practice. This is what a multi-faceted personality looks like, to the times complex of if describe. You seems to be one person brave, reliable, relatively discreet and most of the time not very fickle or disorderly. Under the aspects of reserve or even shyness, their great capacity for work and his devotion to traditional values give one image of stability. You are a person efficient and reflective. Tasks can be given to you with confidence. Loyalty, honesty and reliability they are some of the your qualities obvious. You and one person he would be, conscious of your obligations and many devoted yours family. You choose your friendships with very be careful and don't trust in the people with many ease. Your sense of discipline him from the the capacity of to accept restrictions very good. You if feel freesolving problems of all you types due the your nature meticulous and applied. Tasks difficult, routine and effort no they are reason of fear. But this does not mean that you are not sensitive to consideration and encouragement of people, quite the opposite. In truth, you like to value yourself through work, through your trust. You what love party and fun he has difficulties in to understand your satisfaction in build, create and use your capabilities from the better possible way. Patience, caution and ability to synthesize give your day-to-day bases solid to carry out your work. Respect to the laws, the

sense of duty and your habits extremely strict do of you onevery reliable performance professional. Whatever your tasks, you to the performs and never decreases the rhythm. In addition from that, you he likes of always having a calm appearance . His rise is slow but regular and node end you it achieves your deserved success with a lot of sweat. But don't imprison yourself by excessive rigor, because people can make accusations of lack of originality, fantasy, perhaps even spirituality, heat and refinement. But you efforts to to improve the yes same no they are reason to fear... Node field sentimental, you feelneed for a stable environment as well as a person understanding what encourage the expression of your ideas and feelings. You and able of feelings deep and one big fidelity same what no know demonstrate very good. Your life intimate is more rich of what appears, due the your discretion natural. You he has one right distrust of the people. This if he must the one lack of self-confidence in this area. It would be a shame to repress your heart qualities, your loyaltyand your sincerity and to spend put one person insignificant or inflexible. If for this is the case, react, it is one person flexible, spontaneous, no if close, release your feelings... but don't demand anything in return. Don't forget of what to the people no he has of to be equal the you! No stay always wanting tangible signs, explanations or proof. When you get it overcome these difficulties, you will know as to enjoy to the maximum your personal qualities, your maturity and how to live the relationship serious that you

desire. In short, this vibration offers countless concrete qualities such as: practical sense, taste for work, patience, solidity, resistance but also the qualities of logic, order, organization, method, integrity and sincerity. The possible excesses that should be avoided if you want to live harmoniously under the vibration of number 4 are: severity, rigidity, excessive routine, a tendency towards pettiness, for some of you a certain difficulty in conceptualizing, sometimes a lack of tact, slowness, melancholy and a need to dominate. But recognizing these flaws and the first step to fix them!

Guidance professional

All type of work manual, activities what require order and method. You if will feel at ease in all to the functions where for necessary to maintain, organize, tell, control or build. Put example, the area construction, mechanics, agriculture, sales, army, jobs detailed, feeding, etc. Remember that choosing a profession does not depend only on the Expression Number. This decision may also be linked to your Path of Origin, your Desire of Soul or your Vibration of Birthday.

Expression 5

Your Number from the Expression and the 5. Personality happy, flexible and versatile. Your mode of to be this based in the vibration of free will, growth guys and experimentation. Extroversion, adaptability and mobility they are some of your features. You are from right form "stick to all work" and has a mind of sometimes brilliant vivacity. His freedom and fundamental. You generally no he leaves what nobody take account of their freedom or go to their defense. Its operation is energetic, independent and often idealistic. You have a good dose of optimism and audacity. In fact, his natural curiosity and his nonconformism awakens your interest in everything that exists. You like of act, discover, to change, enchant and analyze. You manifests the trend of go of meeting the lots of experiences, be they physical or linked to the world of avant-garde concepts and ideas. Its adaptability gives you strength. New things, challenges, adventures and even even difficulties serve as motivation. The world around you fascinates and you have a great desire to participate in the joy, in the movement and of to live the life in all your intensity. Your sympathy, your enthusiasm and great receptivity added to his personal brilliance enable to stay fully the willing in the relations with others people, including those of the opposite sex. Even when their originality is recognized, your charm and normally more physical of what verbal. You has many friends, but generally

avoids deepening relationships or forget appearances (unless there are indications contrary to the rest of your analysis). You have one right tendency to distrust. It will be this due to the your desire of preserve your freedom? Of any form, you do not like what tests your intimacy or your psychology. You and one person smart and happy, what he likes of to test, conquer, be well informed and do not hesitate to try different things technological innovations to preserve its efficiency. If you know how to give listening to your deep intelligence, you will be able to invent new ways of living, new techniques, smarter approaches to the world and, why not, one new mode of think. With the help of arguments logical and well-documented rational knowledge, you do not hesitate to accept your challenges and to analyze each thing of one point of view unusual. It's like a game for you. Your taste for contradiction, for questioning of certain established values is balanced by their power of adaptation, your flexibility and your capacity of to understand your interlocutors. This personal flexibility and discernment are very useful in situations that require diplomacy and quick discussions. You cannot say what you are a person with the gift from the negotiation and capable of to go out of the most delicate situations using your mental vivacity. You have many different skills and it is difficult to summarize his personality. But, on the other hand, you may find it difficult to choose between the various areas what him they are offered and if apply fully the one of them. In addition to this

natural curiosity and taste for new things, you have a marked attraction to the sensual area: taste, touch, music, perfumes, gestural sensuality, visual pleasure, eroticism, speed, sensations strong and refined, etc. This is also one little weak if you no be able to resist the temptations of the senses or ephemeral pleasures (greed, seeking excitement through alcohol, strong libido, spending excessive), because you would lose your free will. But this can also be one point in favor in your life, if you understand the concept real of freedom. For this, you must free yourself from all obstacles, interiors and exteriors (alienation through the senses). Do experiences with all what and beneficial to the your balance and well-being, but no accepted all what him for offered or you are in the fashion. No if treats of in no way to restrict oneself or practice asceticism. It is about taste the pleasures and experiences of life to make the most of them and learn from them. If you repeat the same experiences without learn nothing, you will not progress. If you change your activities very often, it certainly won't get very far. It's all a question of dosage and balance. Put end, your capacity of if inspire in the life and your contact with different environments may him give conditions to act in the area of teaching. Node aspect sentimental, and difficult judge your attitude. You he likes of to please and of retribution. Put one side, to the people appreciate your magnetism, your seduction and even your exuberance. You are a delicate, fun, dynamic and fantasy-filled company. For on

the other hand, your taste for change is not always compatible with a long-lasting relationship and it is advisable to be patient about whether to marry. Your attraction put variety sexual (methods and partners), sensations and even unusual hair mean that you may be fickle due to its strong need for growth and desire to try of all in the life. You he likes of to conquer, delights with the present and he thinks difficult take decisions. But you will find the what you wish more early or more afternoon. For the wedding, the staff ideal it will besomebody what he knows in your intimate as him give the impression of to have done one good choose the bird rare able of follow your rhythm, to be your accomplice and give you the space you need so you can satisfy your several passions, exercise your seduction and if complete with activitiesphysical. You, happy of to have one person like this, will give the better of yes, then your impression of personal freedom will remain intact. What are the possible excesses of this vibration? You must be careful that your taste for personal autonomy and your habit of questioning, mainly things that are traditional and established, don't take it more far away of what you wish. Of fact, your aversion the all what look like a limitation can inspire in you a disdain for codes and rules which will culminate in rebellion when faced with a declared "dictator". Be careful when experiencing artificial pleasures. Be careful also with impulsive reactions and a lack of caution (moderate of agreement with you others elements of your analysis). If you if to leave to take

through a vicious cycle of overwork, you may become one person irritable and unstable. Of mode general, no improvise too much, take some time for reflection and do not change direction or strategy very often, because if you don't take care, certain contradictory aspects can follow one another: logic of reasoning and excessive impulsiveness , successful acceleration and skidding dangerous, creation followed by failure or finesse and tact alternating with rudeness intentional.

Guidance professional

You have many interests and your skills allow you to choose between multiple possibilities. To change of profession or of activity no is reason of fear. You it needs of movement and changes. As more doors him are open, more happy you will be, then no supports to the restrictions of one job monotonous and without importance of your point of view. The areas in which you can exercise your skills are: journalism, diplomacy, marketing and trade, media, comedy, technology of tip, computing, sport, tourism, adventure and, and Of course. Success is within your reach. If your profession no him give all what you wait, you will know as to change this. Remember of what the choice from the profession no depends just of your Expression Number. This decision may also be linked to your Origin Path, your Soul Desire or your Life Vibration Birthday.

Expression 6

Your Expression Number is 6. Charming personality, conciliatory and responsible. You give the impression of being a person calm, happy and calm. Your personality corresponds the one big capacity of understanding, conciliation, tact and benevolence. You he knows how to devote oneself to others. Generosity and a sense of responsibility are some of its striking characteristics. You likes to please and help at the same time. His charm added to a certain magnetism attracts people in a subtle way. You find always some way to help and create harmony around you. Even when the material rewards aren't worth it, you don't matter, then he does the what he does put pleasure, or perhaps you you have the print unconscious of be marking points to one future " balance ". Put other side, you he can if hurt quite if your attitudes no are understood or if your offers are not appreciated. Beware of exploration. Everything seems so easy and pleasant when people decide to pay him a visit that some will come to recharge and at sometimes even to manipulate you with compliments and treats (you are very sensitive).Your family and to the people the your back he has one paper essential in your life. In this area, you naturally occupies one position central, no necessarily in a hierarchical sense, but with the image of a boss aware of their involvement and developing harmony and peace around them back. You enjoy creating this warm, friendly and welcoming atmosphere

what lack in the life modern. You he has one right respect by the people and by the traditions. You are a person refined, what he likes of comfort and who detests aggression and discord. This may lead him to choose the path more easy and passive and give in very space if to the conditions or allow, the what he can to harm your efficiency and your control. Said this, there is what if highlight what you it has many talents. Your mind conciliatory, your sense of responsibility and your tact will be wonderful for making transactions and making two opposing sides agree. Your qualities allow you to aspire to a position social high as leader. Your style of act and very particular: you he has the need of to please, but also of if to excite and carry out your projects. You he likes of to conquer things in addition of horizon limited of the everyday mental barriers. Your reasoning is intuitive and logical when same time. You are based on the two poles of the human mind. Give smart advice to people is not difficult for you, so you must learn to inhibit his natural desire to get involved with a lot frequency in the life of the others. Learn the wait what to the people come to you seeking your help and guidance. If used positively, this vibration number 6 provides a rare quality, which is knowing as to help for the pleasure of to help. You he likes of if communicate, to help people reciprocally (even if it takes a certain disadvantage). So don't deprive yourself: receive your countless friends, of gifts, help and affection the all what you Amman. Stop to to analyze to the times if you no

this doing too much and adjustment your attitude, if necessary. You also have a great sensitivity that can be express through the arts (creativity or a strong taste for art, mainly due to its plastic and aesthetic aspect), of the areas where the body has an important role (medicine, relaxation, massage, cosmetics, hair products, dietary products, hairdressing, kitchen, etc.) or through activities that require a certain refinement (decoration, fashion, the art of receiving guests). This sensitivity also explains their empathy and understanding towards to people, something you use whenever you want to harmonize atmosphere. You with one refinement to the times surprising, it achieves to perceive that one what and fair and the what no the and. This explains put what you agesometimes in an indignant and inflexible way when faced with injustices flagrant and at other times in an indecisive, embarrassed way, when you errors they are of both you sides. THE vibration of number 6 implies also responsibility. You are able to take on many responsibilities and always from the the maximum of yes in these cases. All these qualities are appreciated, recognized and very important for the harmony and good functioning of society. It would be good for everyone if you had a lot of money and an important social role. However, be careful not to take on too much responsibility or want to satisfy everyone. It would be wiser perhaps to reduce your commitments and comply with them strictly, rather than starting to delay the work and the promises and start to stress, which is the

antithesis from the your philosophy of life... Learn to say "no" politely, but firm, in order to preserve its own harmony! By preserving itself from relationships interdependent what they are complex, too much you will give your creativity the vital freedom it needs. All the difficulties faced by people who experience this vibration should be to the fact of that kindness , generosity and harmony they are usually associated with a form of weakness. You become disoriented when someone "dares" to attack you or when you don't show it respect. Your reaction may be totally illogical on these occasions. The problem this in the people and in you to the same time. To the beliefs of world lead people to have more respect for harshness, for strength, for the coldness and fur apparent success of the "sharks" of what by the nobles from the heart. Above all, don't let yourself be affected! Often sensual, you he can if to leave to take for the your I like by the things good and your hunger of beauty. Your spontaneity and its mind young him give one air jovial able of to do with what to the people laugh and sympathize with you. Same what it is very idealistic and allow grand, fragile and magnificent desires germinate in your mind, you are not as innocent as people think. Node love, you age with many consideration, protection is this always available to your pair. You he likes very from the life family. The emotional and affective harmony is important for your development sexual. You are a very sensual person. When you meet the right person, there is usually a lot of unity. You hate

disagreements and comments unpleasant, therefore this rarely happens. However, your Intimacy Number will determine your reaction in such cases. Your overall balance depends largely on your emotional balance , which is why it is in your best interest to protect your sensitivity from the aggression of world exterior and if become less receptive the feelings negatives. With you, the heart and the body he has your reasons what the mind rational nor always it achieves to understand. THE luxury, the calm and the pleasure they are things what you appreciate. Love is the pivot central of your personality. It always allows you to evolve and shine in the world cold of competition and interpersonal tensions. This is a gift from heavens! Use it with intelligence.

Guidance professional

For you, it is essential to find balance in your activity, obtaining thus success. The atmosphere of your workplace is very important. When he has trust, you it works with responsibility and consistency. Sometimes you care too much about your partner 's interests. boss or of your customer. You if will feel at ease in all to the activities related to arts, aesthetics, body products or with products of luxury (jeweler, fashion), to the professions connected the decoration or arrangements natural (art floral, gardening) and research connected the health. You may if give good in activities of help to the people, counseling, conciliation and trade. In fact, this vibration gives you allows to obtain success in all part, the leave

of moment in what you have has the print of to be able of to have something more. Remember what the choice from the profession no depends just of Number from the Expression. This decision may also be linked to your Path of Origin, your Desire of Soul or your vibration of Birthday.

Expression 7

Your Expression Number is 7: Introverted personality. You spend a reserved, introverted and even secretive image of oneself. Your way of working is independent, with an intellectual connotation or mental well pronounced. Your intimate life is rich. The reduced amount of information you let slip about yourself means that your Soul Urge will play a greater role important node what if refers the your identification. AND the Desire from the Soul what will bring the touch end the image what to the people the your back he has of you. Your I like for the reflection people are important. It's natural to you observe, deduce, to analyze or if cultivate. Your mind it works very. You seems more one person what analyzes, observe, search and if keeps the distance of events, because you don't like to express yourself too much in front of of one audience. Generally, your conscience it needs and your mind they can take it the criticize to the people objectively but of form constructive. One mechanism what nor always works when if apply the you! You nor always put in practice the behavior what you recommends to the others. You need to be careful with your tendency to always be in the area from the abstraction. To the times and better if open to the world, to finish with loneliness. When you confront your ideas with those of others people, this him provides one new mode of see to the things. Multiply your sources of information, this only go enrich

your point of view. Your introversion natural and its I like put reflection guys no necessarily combine with long studies. The possibilities are huge (sciences, modern technology, psychology, esotericism, parapsychology, religion, philosophy) and lots of times you and self-taught. Nothing forces you to dive us books. Your environment and the people with who you he has contact they are one source incomparable of information to your analytical habits. Do you like to look for information or highlight the psychology underlying. Your diagnosis and necessary, but to the times one both in a hurry. By throwing oneself into the world of concepts and developing a activity internal more intense of what the external, you run the risk of if isolate a little from people, especially those who don't understand its internal mechanisms. To avoid this, be clear, precise, friendly and above all not too complex or theoretical. Don't forget that people they are with certainty less conceptual of what you. Node flat social, you he can if give good in one activity of backstage in the which you may benefit to the people of vibration 4 or 8 with your sense of analysis and your clarity of vision. On the other hand, perhaps you prefer activities independent without hierarchical supervision, something you don't appreciate very, in the which you may show your originality and to obtain success. AND the your desire of independence, your capacity of find forces in yourself, which give you the possibility to develop your resources parallel to traditional society. Generally you devote little time for manual

activities (or household activities), things that are too practical and real, according to your opinion. Lasting union does not come easily to you. You need someone who respects your independence, your need for calm and who shares a good number of interests with you. Your pair it needs overcome your apparent coldness and accept that the flat intellectual he has one paper so important when the affective. When to the people if strive to to know your personality more the background, they discover a person more interesting than the image reserved he does suppose (depending on of your Desire from the Soul). Therefore, note love you are capable of deep feelings and are very loyal, a quality what you demonstrates also in the friendships. Nonetheless, you strive to improve relationships, otherwise you run the risk of failures repeated. To to live the vibration 7 harmoniously, you must know the possible bad trends. First a vision negative, a sense of contradiction or a pessimism that will bother the people around you. Also, there may be a certain stubbornness, severity in their criticism, an excessive detachment from joys material and affective aspects of the world. Also a tendency towards melancholy, perhaps anguish, skepticism, coldness, sometimes lying. In some moments a loss of common sense due to intellectual vanity, a lack of familiarity with the world material, complex of inferiority linked to a certain difficulty in integrating into society, a certain impulsiveness when under pressure. Learn to be a more warm. Try to harmonize your

feelings and your mind, your smile and your intelligence. Lots of times the 7 has one dispute mental and intimate what may require a lot of courage and self-control. Rest, don't let there be lots of tensions to the to want to fill in your requirements mental.

Guidance professional

You were born for everything that requires a good sense of observation, capacity for reflection and sometimes a highly technical skill specialized. You do appreciate activities very monotonous. Your areas privileged will be related to medical and scientific research, analysis finance, IT, accounting, etc. But you can feel attraction also by the areas spiritual and philosophical. All what has to do with the transmission of spiritual or specialized knowledge, whether teaching orally, writing or even preaching. Maybe you have enough skill to be a great author. You can act also in politics, law or even in bookstores. Solitary professions are quite appropriate (shepherd, lighthouse keeper, inventor). Remember that the Choosing a profession does not depend solely on your Expression Number. This decision may also be linked to your Path of Origin, your Desire from the Soul or your vibration of Birthday.

Expression 8

Your Expression Number is 8: Dynamic and somewhat outgoing personality materialistic. Your personality is strong and dynamic. The energy or activity you display is impressive. Your presence is extremely striking, the sensation what if he has, and of what and of what occupies the spaces, you can't get through without people noticing your presence. You like to show signs of your success. Your most striking characteristics are his courage, tenacity and great work capacity . The 8 needs an activity where he can employ your mind entrepreneurial and to spend your energies. AND in this type of function that the person under this vibration if get out better. You more capable among those of vibration 8 can also show their faculty of concentration and self-control. You have talents organizational potential and can establish himself as a manager. From the point of view view ideal, the manager and the person what he knows as contact to the people certain, to create one atmosphere stimulating and what you have the knowledge and clarity of vision necessary to to improve the efficiency and the productivity of the team. This implies numerous qualities (knowledge, energy, enthusiasm, cold blood, lucidity, psychological refinement and influence) and big responsibilities. No if seems nothing with the paper primitive of manager of guys. One manager of true use your qualities to build one world better and no to satisfy your desire of dominate to the people.

Therefore, this and the behavior what if wait of you, then society needs leaders of this kind. You are constantly leading a busy life, generally focused on concrete things, however, you never stop cultivating balance by going towards areas as knowledge, wisdom and feeling (same what this it is your point weak). This and vital to the your balance. You he likes of acquire a high level of knowledge and a good understanding of the human being and things (through study, but also as self-taught). These possibilities of consciousness linked to his intelligence and cold-blood give one right experience to take decisions fast and efficient, but while also maintaining control of the reins of your life. Behind this "winner's" facade aimed at material and financial success is a person respected for his protective and generous personality. If the power do not blind him , to the people will come until you of good willing to ask advice. With all these qualities, your success us business and a great possibility; at first, it is quicker and more sudden than routine. Courageous but disciplined, you take pleasure in overcoming challenges and if restore, due the your energy, after face situations criticism. Energetic and productive as you and, the what and more important to you are to get recognition for your ideas and achievements. Work is not a reason of fear. Your resistance allows if dedicate night and day one project to the which you this if dedicating of body and soul. THE concept of lightning conquest pleases you very much. You hate boredom and stay always at ease when he has of to conquer,

win, create and overcome obstacles, because in these situations their hunting and breeding instincts are awakened and stimulated. You says what think, same what this him cause problems. You like things out in the open and compromises are a difficulty for you. Your judgment is accurate and quick, because if from the put quite of one process of thought logical, one attitude lucid and a well-developed discernment of the facts. However, if you refuse to do concessions, you he can go of one extreme to another, to great surprise of people. Bright in the morning, you can be seen as closed the night. THE love will give place suddenly the harshness, the search of pleasure will give way to punishment, the desire for truth to maneuvers indirect and treacherous and the generosity will yield your space the envy. These ups and downs are typical of this vibration, while control and balance are not achieved. Because of this, you must sometimes be approached with caution. Possible excesses of the 8 are a tendency to harshness and aggressiveness. Learn to protect yourself against excessive work through regular periods of relaxation. Take care with their exaggerated hunger for power, money and social recognition, then this he can to take the one behavior dishonest and unscrupulous. There is modes best of act. You he can also be subject to a excess of distrust of the people, one lack of tact, one defense obstinate and sarcastic to always to have the last word. You he likes of justice, but is a vengeful person. In the emotional area, you are impetuous and

your conquests are quick. "Love at first sight" is aided by a right magnetism. It's your instinct of "hunter" what comes to the surface. You Amman passionately, impatiently, until violently (if to live the8 in an extreme way), but your feelings are frank. With you, the people always know where they are standing. In fact, you sometimes seems to be one person more hard of what really and. Your problem node love as in everyday life is your hesitation to show tenderness and kindness, fearing that emotions might be mistaken for weakness , what he can put in risk your influence. Take Careful, then this harshness and inflexibility in the face of your real feelings will disturb to the people at your disposal back and can to disturb until yours own judgment. Normally, you feel attraction put two types of person, to the what share the your ambition and competence (node same level what you), or to the what show one right admiration for the your person. You will treat well yours family, if you are if feeling good. But the reverse also occurs, you have problems mainly at work. You can become very unpleasant to the people around you. Some people with vibration 8 looking for revalue your image put quite of achievements sexual. In the true, and necessary accept it as you and, even if sometimes you are an unpleasant person to be around coexist, then and rare what you do concessions first. But all iflearn!

Guidance professional

With these talents, you have a great chance of doing well in a

activity where and necessary if impose or lead. Your areas privileged are: business, finance, sports competitions, marketing and loads of high ranking. Sometimes activities where you can take risks physically: stuntman, climber, pilot, explorer. You he can come the to be one surgeon (energy, decisions fast, self-control). Areas creative and what require manual skills are good for you too. Remember that the choice of profession does not depend only on the Number of Expression. This decision may also be linked to your Desire of Soul, your Path of Origin or vibration of Birthday.

Expression 9

Your Expression Number is 9: Altruistic, wealthy and selfless personality. sensitive. You seem to have great sensitivity. It is the key to your expression. From there, everything is possible: dedication, altruism, tolerance, ability to relate, artistic possibilities, creativity, culture, inspiration, idealism and a sense of justice. You are one person what he can to be described as calm, optimistic, but reserved. Your world interior is rich and many times full of passion. You stay at willing when if treats of ideals or big spaces. You it has one good overview of people and things. Some people with vibration 9 may to develop this faculty to predict the future. In the true, and very difficult describe it why the vibration 9 it has to the bigger opportunities and components. From this mode, you to have the impetus of instruct, to seek intellectual and spiritual knowledge and will be seen as a cultured individual with an open mind and interesting ideas, perhaps even vanguard. Other aspects of 9 can be generosity, compassion, promptness and tolerance. This kindness differs slightly from that which mark to the people with Number from the Expression 2 or 6, due to the your touch more universal and less individual. It is possible to express these qualities with people close to you or on a larger scale, just like a humanist always dedicating themselves to a noble cause. At this point, you find other aspect of 9, what this linked to ambition , desire of elevation and receptivity to the

world and to the ideas. This, connected the your wishes idealists and your ease verbal, they can him give one shine guys undeniable (the 9 this often connected to the celebrities). This ascendant and all you others talents him allow view your path with serenity. Generally, you it achieves reconcile more or less these tendencies, same what to the people find what you if league more the one or the other. But in any case, you are characterized by your sensitivity. (refinement, humanism). It will provide you with an open mind and pleasure in help and cheer, as if you already had past of internship in which he needs to accumulate possessions or satisfy his ego. His sensitivity is the origin of your talent in the arts, music or dance, culture, kitchen, in the art of to receive or any other activity what request finesse and creativity. Many talented artists have the number vibration 9. For to be efficient node work, you it needs of motivation. You he has the need of to do all with enthusiasm, the point of to create one myth put where you pass, so that your curiosity can be satisfied. You needs a lot of dreaming and fantasy, with possibilities of opening in addition of the limits pre-established. THE freedom and important. You don't like restrictions, closed and limited things. Your biggest attribute is the ability to capture the general context, to assimilate quickly see things where other people get lost in the details. Your vision is synthetic and human to the same time , what him allows show some dysfunctions clearly and be a good advisor. His defects at work

are: a certain lack of practical sense, little efficiency when you no believe node what he does and nor always one sense business savvy. However, his success may come early. Linked to others vibrations, the 9 he can make it one leader. Your loyalty to the people and the respect for commitments go against their qualities. In replacement, you he can to be influenced by the what know as instigate him. If the purpose is contrary to your aspirations and your pride, do not let yourself take. Use your sensitivity to better grasp their demands. The excesses of the 9 come from its emotional and generous nature. First place, a certain credulity, but also a tendency towards dispersion, disorder and contradictory actions. Don't do too many things at once time. AND better to maintain the contact with the reality. Try remain node flat concrete and consistent. AND possible what you suffer of nervousness, anguish or existential doubts, if your inner world is very sensitive. More than anything, you must protect yourself psychologically from any form of external aggression. Otherwise, you run the risk of encountering a path of bitterness and discouragement (according to their Number of Intimacy). Your mission is, however, fundamental: you must become an example for people! Be positive. Remember that vibration number 9 incites personal growth , an openness to others people, but no to if merge the one group! You it needs to maintain your autonomy and be altruistic at the same time, without which you quickly loses your efficiency. Node love, if passion , the ideal or the

perfectionism that shines in you is excessive, your life sentimental will be difficult without a shadow of a doubt. Therefore, perhaps you have difficulty finding a person who is up to your expectations expectations or you may be disappointed if this person turns out to be less ideal of what you expected. The same OK if she no to share your vision of life. THE problem perhaps be node fact of what you if fall in love put one ideal to the instead of one person. It is for that which is better what you it is objective in the your search for the guys ideal. In addition from that, you it needs to receive evidence of love. This him from the trust and generates very more affection. Your qualities of devotion and loyalty they are also very appreciated.

Guidance professional

You will be the willing in all to the activities what he has the see with relations human, altruistic projects (member of an organization with humanitarian objectives), travel, foreign languages. Their areas favorites will be medical and social, personnel management, legal defense (lawyer), the fight against major pests. You give yourself wonderfully good in all what he has the see with teaching in big scale (writer, teacher, speaker, pastor), modern technology and the sectors cultural and artistic (music, painting, cinema, theater). Perhaps also archeology, history of the civilizations, exploration. Administration, finance and commerce are areas that are not very appropriate to you. You it needs of one vocation.

Remember what the choice of profession no depends just of your Number from the Expression. This decision may also be linked to your Path of Origin, Desire from the Soul or the your Vibration of Birthday.

Expression 11

Your Expression Number is 11: Inspired personality. This is a master number that has a very strong vibration. It is very rare if live completely this way. Most people will live it in the level 2 (information about 2 is in the next paragraph) while inherits some predispositions linked to 11. The big difference has to do with with the capacity of decision, of take the initiative and put your intuition into practice. There is a great awakening. Some qualities are not they are very developed node 2, what appreciates one right passivity or lack of capacity. THE 11 vibra or excites more intensely of what the 2. An Expression 11 is synonymous with awakening, vitality and inspiration. You are original and unconventional. Your nature is intuitive, inventive and to the times autonomous, until solitary. You if supports in your strength moral and deep convictions . However, this solitude is not a constant thing. You may go through periods of nervousness. If used with wisdom, your faculties him will give more intelligence and more ambition of what the average of the people it has. You and the type of person what aspires the one ideal or one level high of knowledge. You and one person who is stubborn in their choices and is always willing to steps ambitious, because what guides him is the idea of to have one destination more important of what the average. In general and true, but you have the Careful of always to maintain you feet node floor. Your strength of work is big. You can often

benefit from a lot of inspiration stretching out from of your intelligence vivid. It is a big trump card. Perhaps you have access to special psychic talents. Creative energy and a certain clairvoyance are assets that you use to make quick decisions, to assume the initiative, to place your inspirations in practice or share your ideas. In your best moments, your personality overflowing captive to the people. To the people want you your advice then know what you and able of give information logics enriched with a certain clarity of intuitive vision. It is normal for you to be self-taught. Ideally, his objectivity allows him to find solutions without getting carried away by complicated emotions (the defect of 2). This magnetism the will help in love. You and one person attractive, but when in one couple, you no and flexible the enough. When this vibration no and controlled, there is one big voltage mental and emotional. Perhaps you want the perfection before of to be able of to achieve the average normal. No if hurry up too much. Relax. Take Careful to no consider themselves superior, despite their undeniable qualities. Above all, avoid intolerance and fanatical attitudes (you let yourself be carried away by revoltwith ease). Always keep in touch with reality, to avoid if lose. Use your talents of one manner positive, to your own evolution, but also to to help to the people.

Guidance professional

For you, the options are many. You will achieve success in any area. what him interest. Patience. Perhaps you you have access

the one right public recognition, because you are able to lead people (sense of responsibility, ability to command). In general, your interest should to be your mission guys. Remember what the choice from the profession no depends only on your Expression Number. This decision may be connected also to the your Path of Origin, your Desire from the Soul or your vibration of Birthday. THE your Number from the Expression and the 2. Collaborative, sensitive and kind personality . Corresponds to a delicate, sensitive, attentive, generous, lively and full of personality imagination. Your qualities they are undeniable. Your way of to be this based in the flexibility and in the cooperation, but also in the search of harmony, affection and care. You can describe your profile as that of a person particularly receptive, often intuitive, always pleasant, generally sincere and trustworthy. You are a partner indispensable. Their activities and behavior denote a big need of company. Nonetheless, you he has the trend of to be affected by or participate in events rather than making them happen happen or control them. You prefer to cooperate, work with a leader, follow to the ideas of the others in you see of innovate or take decisions put account own. This last affirmation he can to be relative if your Cycle is 1, 3, 5 or 8. Your activities and behavior denote a great need for company. However, you demonstrate a tendency to suffer the consequences of events rather than causing them or dominate them. You prefer cooperate, to work with one leader, follow to the ideas of

others people to the instead of innovate or take decisions put account own. This last affirmation he must to be relativized if your Cycle for 1, 3, 5 or 8. You if will feel the willing in one environment serene and warm and his undeniable collaborative qualities can be expressed in his totality. You know how to execute orders perfectly and how to care of the minimum details. You he can until to arrive to the point of to perceive people's needs before they express them. People appreciate your kindness, your modesty, your patience and your power of persuasion. With the help of his talents of conciliation, diplomacy and above all your attention to detail, you become indispensable to all those ones what prefer if concentrate in the decisions and us parameters general, as the success of a project cannot be harmed by superficiality or fruitless conflicts. You also have a excellent memory, an asset that cannot be forgotten. You have a generally very friendly attitude and his kindness and gentleness they are recognized by the what to the receive. THE quality of your contact human and his natural simplicity make people feel at ease around him of you. You attract trust and know how to create an atmosphere pleasant, the what and excellent of if find when if this far away of home. Your intuition, your sensitivity and your charm can be very useful to you. because they allow you to find help easily when it is necessary. Your great receptivity, sensitivity and imagination are of fact one do of two edges. They him provide undeniable advantages in all types of collaboration, but on the

other hand they depend fully of your state of spirit . Calm and serenity in your relationships with to the people and indispensable to you and your system nervous reacts a lot to tension and conflicts. In these cases, you fear the reaction of his interlocutors and adopts a passive and gentle attitude towards hide your emotional instability. Your need for security affective and your fear of frictions they can, in certain moments of your life, be so big that you give up a lot of space very quickly to try to preserve the peace (this should be considered in relation to the characteristics of your Intimacy Number). As long as you have the print of what he has one connection or one dependence with relationship to the what are at your disposal back, you will be fragile node what it says respect to disagreements, conflicts or criticism! Learn to trust yourself more same, in order to acquire greater autonomy. Criticism or tensions will no longer be a cause for concern for you and strong competitors will no longer be a cause for fear. Otherwise, avoid environments aggressive substances that disturb its sensitive structure, stay away from discussions and disputes and find some areas of calm for yourself even in your universe. In fact, your inner mechanism is very complex. Behind their reserved, pleasant and calm attitude, they can to hide impulses of seclusion, unstable periods, phases of depression in consequence of your questioning inside frequent and your impulses contradictory: action-inertia, speed of the slow-sensations of reflexes, spiritual desires- physical desires,
